|--|----------------|--|----------------|---|---|---|--|--------------------------------|
| Session 1: 8:30am-10:10am | | Visualizing Electronic Health Record Data | VAST Challenge | DECISIVE: Dealing with Cognitive Biases in Visualizations | Towards An Open Visualization Literacy Testing Platform | Workshop 3DVis: Does 3D really make sense for Data Visualization? | Visualization Analysis and Design | Symposiums & Workshops Posters |
| Session 2: 10:30am-12:10pm | | Visualizing Electronic Health Record Data | VAST Challenge | DECISIVE: Dealing with Cognitive Biases in Visualizations | Towards An Open Visualization Literacy Testing Platform | Workshop 3DVis: Does 3D really make sense for Data Visualization? | Visualization Analysis and Design | |
| Session 3: 2:00pm-3:40pm | LDVA Symposium | Death of the Desktop – Envisioning Visualization without Desktop Computing | VAST Challenge | Visualization for Predictive Analytics | Opening the Black Box of Interaction in Visualization | Visualization and Analysis with Python | "Where Do I Start?" Practical Methods for Design Studies in Information Visualization and Visual Analytics | |
| Session 4: 4:15pm-5:55pm | LDVA Symposium | Death of the Desktop – Envisioning Visualization without Desktop Computing | VAST Challenge | Visualization for Predictive Analytics | Opening the Black Box of Interaction in Visualization | Visualization and Analysis with Python | "Where Do I Start?" Practical Methods for Design Studies in Information Visualization and Visual Analytics | |
| Symposium & Workshops Posters Viewing (Various Ballrooms) - (6:00-7:00 pm) | | | | | | | | |

| | SCENE A | SCENE B | SCENE C | Auditorium | FORUM A,B,C | SCENE D,E,F | FORUM G,H,I,J | |
|-------------------------------|----------------|--|---------|------------|--|--|--|--------------------------------|
| Session 1: 8:30am-10:10am | LDVA Symposium | Provenance for Sensemaking | VizSec | BELIV | Applying Color Theory to Visualization | Glyph-based Visualization | Best Practice of Visual Design. A Hands-on Tutorial for Data Explorers and Visualisation Makers. | Symposiums & Workshops Posters |
| Session 2: 10:30am-12:10pm | LDVA Symposium | Provenance for Sensemaking | VizSec | BELIV | Applying Color Theory to Visualization | Glyph-based Visualization | Best Practice of Visual Design. A Hands-on Tutorial for Data Explorers and Visualisation Makers. | |
| Session 3: 2:00pm-3:40pm | LDVA Symposium | Information Visualization and Visual Analytics in Business | VizSec | BELIV | Everything except the chart: developing complex web-based visualizations | Introduction to Tensor Field Visualization: Concepts, Processing and Visualization | Answering Questions We Did Not Know How To Ask | |
| Session 4: 4:15pm-5:55pm | LDVA Symposium | Information Visualization and Visual Analytics in Business | VizSec | BELIV | Everything except the chart: developing complex web-based visualizations | Introduction to Tensor Field Visualization: Concepts, Processing and Visualization | Answering Questions We Did Not Know How To Ask | |

Symposium & Workshops Posters Viewing (Various Ballrooms) - (6:00-7:00 pm)

Tuesday (Nov 11, 2014)

| | SCENE A | SCENE B | SCENE C | Auditorium | FORUM A,B,C | SCENE D,E,F |
|-------------------------------|---|--|--|---|---------------------------|--|
| 8:00am-8:30am | VIS Welcome | | | | | |
| Session 1: 8:30am-10:10am | VIS Keynote (8:30 - 9:30) | | | | VIS Posters 8:30am-6pm | Exhibits + Interactive Demos 10am-6pm |
| | VIS Papers FF (Tue) (9:30 -10:00) | | | | | |
| Session 2: 10:30am-12:10pm | SciVis Intro + Volume Visualization Systems (4 papers) | InfoVis Intro + Techniques (5 papers) | VAST Intro + Fundamentals of Visual Analytics (4 papers) | | | |
| | Digital Compass Lunch | | | | | |
| Session 3: 2:00pm-3:40pm | Scalar Analysis and Volume Rendering | Maps & Trees | Empowering Users in Visual Analytics | PANEL Data with a cause: Visualization for policy change | | |
| | Session 4: 4:15pm-5:55pm | | | | | |
| | Perception and Evaluation | Networks (6 papers) | Clustering and Classification | | | |

Wednesday (Nov 12, 2014)

| | SCENE A | SCENE B | SCENE C | Auditorium | FORUM A,B,C | SCENE D,E,F |
|-------------------------------|---|--|---|--------------|---------------------------|--|
| 8:00am-8:30am | | VIS Papers FF (Wed) | | | | |
| Session 1: 8:30am-10:10am | Biomedical and Molecular Visualization | Interaction & Authoring | Visual Analytics in Societal Applications | VISAP Papers | VIS Posters 8:30am-6pm | Exhibits + Interactive Demos 10am-6pm |
| Session 2: 10:30am-12:10pm | Features Extraction and Flows | Exploratory Data Analysis | Visual Analytics of Spatiotemporal Activities | VISAP Papers | | |
| Session 3: 2:00pm-3:40pm | Flowline Tracing, Clustering, and Visualization | Design Process & Persuasion | PANEL Horizon 2020: Funding Visualization Research in Europe | | | |
| Session 4: 4:15pm-5:55pm | SciVis Contest (1/2 session) | PANEL Challenges in Financial Visualization | Visual Analysis of Relationships | | | |
| | VIS Poster + Art Program Viewing | | | | | |
| | VIS Banquet | | | | | |

Thursday (Nov 13, 2014)

| | Auditorium | SCENE B | SCENE C | STUDIO A-B | FORUM A,B,C | SCENE D,E,F |
|-------------------------------|---|--------------------------------|--|--|---------------------------|--|
| 8:00am-8:30am | | VIS Papers FF (Thu) | | | | |
| Session 1: 8:30am-10:10am | Maps and Topology | Evaluation | Searching and Tracking | | VIS Posters 8:30am-6pm | Exhibits + Interactive Demos 10am-6pm |
| Session 2: 10:30am-12:10pm | Visual Integration and Design | Applications | Visual Analytics in Infrastructural and Environmental Applications | PANEL Bridging the Gap: Translating Perception and Cognition Expertise into Visualization Research and Practice | | |
| | VIS'15 kick-off meet (Open to all) | | | | | |
| Session 3: 2:00pm-3:40pm | Data Transformation and Comparative Visualization | Industry Presentations Session | Visual Analysis of Changes | | | |
| Session 4: 4:15pm-5:55pm | PANEL 2D vs 3D | Perception & Design | Visual Analysis of Semantic Meanings | | | |

Friday (Nov 14, 2014)

| | Auditorium | SCENE B | SCENE C | STUDIO A-B |
|-----------------------------------|------------------------------------|-------------------------------|---|--|
| 8:00am-8:30am | | VIS Papers FF (Fri) | | |
| Session 1: 8:30am- 10:10am | Video and High Dimensional Data | Documents, Search & Images | Visual Analytics in Scientific Applications | PANEL For Young Visualization Researchers: Words of Wisdom |
| | | | | |
| Session 2: 10:30am- 12:10pm | VIS Capstone (SCENE A,B,C) | | | |
| | VIS Closing | | | |
